On account of the promptness with which it cheess the fevers generated by anhealthy exhaustions. Hostetter's litterate considered an indispensable tamily medicae on the borders of our Southern and Western rivers, and in new settlements where the plough and the axe are for the first time disturbing the solitudes of nature. Its reputation, however, is not confined to such locatities. Wherever the elements of health, wherever sickness prevails, it is effications as a remedy. Among the serious diseases which it is guaranteed to control are indiges, which it is guaranteed to control are indiges, which it is guaranteed to control are indiges, liver, and the bowels—such as heartburn, head ache, flatulence, costiveness, namen, distaste for foot, languor and debility, papitation of the heart, trembling of the heads, noises in the ears, disordered vision, disturbed sleep, and mental disturbances tend to a general failure of all the powers of the system, they should be at once corrected—as they always may be, by a course of Hostetter's Stomach Bitters.

It is emphasically a Home Company.
Its large capital guarantees strength and Its Rates ove as low as those of any first to mpany. It offers all desirable forms of Insurance. It ofters all desirable forms of Insurance.
Its funds are invested at hethe and circulated among our own people.
No unnecessary restrictions imposed upon residence or travel.
Policies non-torfeitable after two years.
Its officers and Directors are trominent and well known North Carodinians, whose experience as business men, and whose worth and integrity are alone sufficient guarantees for the Company's STRENGTH, SOLVENCY and SUCCESS.
